

COUNTY BOARD PICKS LIPTON FOR CHAIRMAN

Retains Place With Ease Over Opposition of Schilling and Titterton.

John Lipton was re-elected chairman of the board of supervisors yesterday afternoon without any great opposition. He was opposed by W. H. Schilling and M. A. Titterton. In the informal ballot Lipton received 24 votes; Schilling 5 and Titterton 3. In the formal ballot Lipton retained his support while Schilling lost three votes to Titterton.

Only other business before the board yesterday was the adoption of rules and the authorizing of the chairman to appoint a committee of three to act as a jail building committee. An adjournment was taken until this morning.

When the question of rules was up, considerable discussion resulted in opposition to continuing the practice of calling a session for 9 or 2 o'clock and then permitting the members to stand around the corridors of the court house for a couple of hours while various committees went into session. The same rules will be in effect but it was the express wish of the board that the chairman see to it that sessions are called promptly on the given hour.

Supervisor Bradley of Rock Island acted as temporary chairman for yesterday's session.

The most important business to come before the board is the question of raising sufficient funds to cover the total cost of the new jail and the securing of materials with which to begin construction work.

TICKETS FOR CLASS COMEDY PUT ON SALE

"Pair of Sixes," High School Production, Best Sale in Progress.

Tickets for the Rock Island high school senior class play, "A Pair of Sixes," to be held May 6 and 7 in the Illinois theatre, are now on sale. The seniors were all given tickets, as were many of the under-classes as well.

Last year the senior play brought about \$500 clear profit to the class of '19. As the expenses this year probably will be a little greater, not quite so much is expected to be cleared. The money made from the class play will go to pay for the Watch Tower pictures and other senior expenses. Last year for the first time the senior class play really cleared a lot of money. With this as an example the graduating class this spring is endeavoring to make its play a financial success.

Rehearsals are being held every afternoon after school and several evenings a week. The cast of this year's play has so far worked harder than many of the casts of previous years, and it work has anything to do with a play, "A Pair of Sixes" ought to be a whirlwind.

PUBLIC NOTICE.
I hereby give notice that I will not be responsible for debts contracted by any one other than myself after this date.

SCOUT BUDGET BEING QUICKLY GAINED BY MAIL

Many Responses Received Supporting Boy's Movement Fund Campaign.

Friends of the Boy Scouts of the city are asked to send as promptly as possible to the letters sent them the first part of the week asking them to support the movement.

Men in the city are appreciating the fact that they are not being asked to go out and work in behalf of the campaign, but that they can dispose of the matter in the few minutes required to fill out a check or note and mail it to Scout headquarters. Following are the names of friends who have already remitted checks or pledges: George Davis, C. E. Johnson, Father P. H. Durkin, Dr. A. N. Mueller, R. I. Transfer company, B. B. McKown, Lieutenant R. C. Mitchell, W. G. Murphy, G. W. Mitchell, August E. Lamp, William Jackson, Raymond Walker, H. H. Cleveland, Dr. F. H. First, John J. Keating, K. T. Anderson, C. F. Organizations Help.
The big organizations in Rock Island who are interested in the boys' work are donating to the Boy Scout campaign generously. The Rock Island Elks, always interested in promoting boys' work, started things off Monday evening by donating \$50 to the campaign. Tuesday evening the Knights of Columbus donated \$25.

The local officials in charge of the Scout campaign feel highly gratified to the above mentioned orders for setting an example which the others are likely to follow.

FINER CITY TO BE PLANNED BY BIG ENGINEERS

Planning Commission Gives Instructions to Expert to Prepare Estimates on Work.

The Rock Island City planning commission, in special session at the city hall yesterday, instructed T. J. Moreau, secretary of the American Park Builders, Chicago, to submit a written proposition to the commission for the forming of a "city plan" for Rock Island.

The planning commission met in regular session Tuesday afternoon and upon the information given by the secretary, Mrs. E. B. Kreis, that Mr. Moreau was coming to Rock Island today, decided to meet this morning in special session to hear him on the "city plan" proposition.

Mr. Moreau explained to the commission that it would take about one year for the American Park Builders' engineers to form a "city plan" for Rock Island, which would include proper methods of procedure for enlarging the city,

making up of streets, boulevard parks and a vast amount of other detailed information that would set forth as measures to follow eventually bring this city to a point of perfection.

He asserted that it would cost

the commission about \$4,500 to have the plan drawn up. The commission has about \$3,500 in principal and interest of a sum raised by the Chamber of Commerce to be used for such a purpose. The remainder of the money needed will

have to be raised by means yet to be devised.

SHOW FILM UNDER CHURCH AUSPICES

This evening's program at the

Fifth Avenue theatre will be under the auspices of St. Paul's Belgian Catholic church. It consists of "The Victim," a 9-reel film, full of exciting episodes and said to be one of the best staged dramas now being shown on the screen.
